"Our new Waves Series wines are inspired in our respect and admiration to our South Pacific Coast. The Pacific Ocean in constant change and movement strongly influence the cool climate conditions of our Leyda vineyards and has shaped through millions of years the geography of the valley. These are wines dedicated to the ocean and to the fresh intense pure flavours we are blessed to achieve"

WINEMAKING DETAILS:

The grapes are handpicked and carefully transferred into the winery for processing.

Once in the winery the grapes went through a delicate bunch selection process prior destemming and crushing. The must was cold macerated for 5 days at 8°C to maximize primary aromas retention. Fermentation was carried out in open tank fermenters at 26 - 24°C with native yeast. The gentle extraction programme with manual pigeage ensures intense deep flavors and a soft mouth feel.

Our Wave Series are unmasked wines a pure reflection of what we get on the vineyards, the wines are bottled young without any oak contact to shows the character, vibrancy and freshness Pinor Noir can achieve in the South Pacific coast of Chile.

TASTING NOTES:

This Pinot Noir has a light ruby colour. The nose has fresh cherry, pure raspberry, soft spicy notes of cinnamon, mocha and gentle earthy notes. Balanced and vibrant our Wave Series Pinot Noir has perfumed fruit aromas and a juicy vibrant mouthfeel.

Enjoy and let pur Wave Series Pinot Noir bring you close to the ocean, we want you to feel the sea breeze in every sip.
