

## CRAFTING 90 POINT WINES SINCE THE '90s

### The highest-scoring portfolio within the \$8-\$12 price segment

The 90+ scores keep rolling in, and we couldn't be more excited to share these accolades with you! Our wines continue to impress, and this most recent batch of high scores reinforces the incredible quality and craftsmanship behind the Bogle name.

We're especially proud to share that Bogle has now earned a place on Wine Enthusiast's prestigious Top 100 Wines list for the 12th consecutive year! This recognition, paired with a Winemaker of the Year nomination for Eric Aafedt, our VP of Winemaking, highlights the dedication and passion that Eric, supported by the Bogle family, has brought to winemaking throughout his 30 year career at Bogle.

These are wines to be proud of—character, consistency, and quality are the hallmarks of our portfolio—and we are thrilled to partner with you to bring these amazing wines to consumers. Let's get out there and showcase why Bogle wines continue to earn these top honors year after year!

Thank you for your partnership and for helping us share the Bogle story with the world.
