DOMAINE EdeM ELENA DE MENDOZA

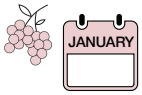

NON-ALCOHOLIC

Created in honor of Elena Maza, Nicolás Catena's wife, for whom the family's first ever non-alcoholic wine was developed. She was looking for something lighter than traditional wine yet enjoyable as an aperitif before dinner.

The ***Catena Institute of Wine*** was tasked by Laura Catena to carry out this creative project, combining sensory analysis knowledge, wine chemistry expertise, human panel data, and the best technology to make these wines.

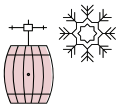

MADE FROM THE **HIGHEST QUALITY** CHARDONNAY GRAPES

OUR PROCESS

1. GRAPES

Chardonnay grapes are sourced from various mountain vineyards across Mendoza.

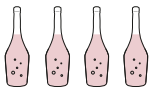

2. HARVEST

The *verjus* is made from early harvest grapes, collected during the third week of January and is kept cold throughout the winter.

3. BOTANICAL INFUSION

In June, the winemaking team at the Catena Institute of Wine infuses botanicals.

4. BOTTLING

Once the master blend is defined, the process of injecting fine bubbles begins.

Serve very cold, between 7-9 °C.
With a slice of lime and/or ice cubes.
Enjoy during sunsets, to toast, or as an apéritif before meals.

GRAPE JUICE | PENNYROYAL | THYME | CHAMOMILE | WORMWOOD

"Amber-gold in the glass with a delicate spritz, a sweet upfront, then bitter. Like an Italian vermouth with depth, acidity, and some heat but not from alcohol. Definitely complex and delicious."

— Wine Folly, 2025

ADDITIONAL INFORMATION

This sparkling can be stored in the fridge with a good stopper for up to two weeks. With only 0.4% alcohol, this sparkling wine falls into the non-alcoholic category. A sparkling wine with less than 0.5% alcohol is classified as "alcohol free."
